Dear Wm. C. Wallcut

152 It is my present intention to go to Boston next Monday. Meantime please send my letter hither, up to Friday night,

If Mr. Garrison is prepared to have an Exec. Comtee. meeting, next ~~meeting~~ week, - which please ascertain, - you will inform us by calling one, which I could attend on Monday, at 11 $\frac{1}{2}$ , - & so on at any time afterwards until Thursday noon probably; but I would prefer to have it sooner than Thursday, if at all next week. I think O. Johnson would come on to attend such a meeting, if he should be invited to come & make a statement of the "Standard's" position, &c. We might defer our meeting until he could come on, or hold a preliminary one, as Mr. G. thinks best. - I was at Lancaster yesterday, & heard there that Mr. Garrison

had probably begun to move his family,  
and household goods, to Roxbury, —  
which was the first I knew of his having  
taken a house there, — an arrangement,  
I hope, which they will find very  
conducive to comfort and health.

If Wm. G.'s wedding is to take  
place next week, of course there will be  
no need to hold the Committee meeting,  
as Mr. Garrison will doubtless be off to  
attend it.

Hoping you are well,  
I remain, Truly Yrs  
Sam'l May Jr
